## CORPORATE OVERVIEW

Dee Dee Logistics LLC is a women owned small business based out of Buffalo Ny. At Dee Dee Logistics LLC we assist shippers and manufactures in achieving the goal of running cost efficient freight, by connecting our customers with certified carriers around the world. We are here to assist our customers by moving their freight in a safe timely manner. We also specialize in moving multiple different commodities inbound and outbound, using refer and dry van trailers. Customer satisfaction is a top priority in achieving our everyday goal.

- Date: 8-6-2024 to 9-28

Our company was recently awarded a government contract to supply tables and chairs for a police examination. This contract was secured through a competitive bidding process, where we demonstrated our ability to meet the specific needs of the project, including providing durable and high-quality furniture within the required timeframe. Our attention to detail, commitment to excellence, and ability to comply with government standards were key factors in securing this contract. This achievement not only reflects our expertise in logistics and procurement but also strengthens our reputation as a reliable partner for government projects.

## DIFFERENTIATORS

- Long Term Clients
- 24/7 Monitoring of client's
- Real time updates
- Excellent Customer Service
- COI
